**1.** Blank card & art print

**2.** Blank card & Brink sticker

**3.** Removable art print

## GREETING CARDS WITH REMOVABLE ART PRINTS

Printed onto Ilford Galerie Textured Cotton Rag 310gsm. This premium matte paper brings a tactile richness to the artwork and adds depth and dimension, giving it a soft, painterly effect. The blank greeting card with Brink logo sticker has a removable glue-dot to secure the print.

1. Twist the print clockwise four times and gently lift off from the sticker on the card
2. Once removed from the greeting card, gently roll the glue-dot slowly off the back of the print or card, to ensure it doesn't tear the paper.
3. If you encounter any issues removing the art print, visit our website or email us directly.
